

# Westlake Soccer Camp

Spring Break  
At Westlake High School

## Philosophy

It is our philosophy that young players learn best when having fun. Our camps focus on teaching fundamental skills and positioning while playing small-sided games. Such games stress development of skills, creativity and awareness in an environment that enhances the players' understanding and enjoyment of the game. For older, more advanced players the goal is to produce a more skillful and knowledgeable player - one who can respond to game situations with the correct techniques and tactical decisions. The sessions are intense and will focus on individual technique and small group tactics.

## The Staff

The Camp directors are Bill Propster (2000, 2002 and 2004 Marmonte League Coach of the Year), Frank Marino (2003 C.I.F. Coach of the Year) and Aerick Brown (former college player and college coach). They each have over 20 years' coaching and playing experience and have United States Soccer Federation Coaching licenses. They have trained players and teams at all levels, from the five-year-old beginner to the elite Olympic Development Program Players.
